

[NCT05262023] ePRO System Site Manual

Introduction

This manual provides site personnel with step-by-step instructions for using the Acme ePRO system for study NCT05262023. The ePRO system collects patient-reported outcomes data via tablets and web portals.

System Overview

Acme ePRO is a cloud-based platform that allows participants to complete daily symptom diaries and scheduled questionnaires. The system includes a site portal for monitoring compliance and generating reports.

User Roles

- **Site Coordinator** – manages participant accounts, monitors compliance, and resolves queries.
- **Investigator** – reviews aggregated data and ensures data quality.
- **Participant** – completes assigned assessments via tablet or smartphone.

Logging In

- Navigate to the Acme ePRO portal at <https://acmepro.example.com>.
- Enter your site email and password. First-time users will receive a temporary password via email.
- After logging in, you will be prompted to change your password and set up two-factor authentication.

Managing Participants

- To add a new participant, select **Participants** → **Add Participant**.
- Enter the participant's subject ID, email address, and assign the appropriate assessment schedule.
- Provide the participant with their login credentials and tablet device.

Completing Assessments (Participant)

Participants will receive notifications when assessments are due. To complete an assessment:

- Log in to the mobile app using the provided credentials.
- Select the active questionnaire from the home screen.
- Answer each question and tap **Submit**. Responses are automatically uploaded to the central server.

Monitoring Compliance (Site)

The site portal dashboard displays compliance metrics for each participant. A sample compliance table is shown below:

Week	Expected Diaries	Completed Diaries	Compliance Rate
1	7	6	86%
2	7	7	100%
3	7	5	71%
4	7	6	86%

Site coordinators should follow up with participants whose compliance falls below 80%. Use the **Messages** function within the portal to send reminders.

Troubleshooting & Support

- **Forgot Password:** Use the “Forgot Password” link on the login page to reset credentials.
- **Device Issues:** If a tablet fails or is lost, contact the Acme Support Desk for a replacement.
- **Technical Questions:** Email support@acmepro.example.com or call +1-800-555-1234 for assistance.

Appendix

Include screenshots of the login page, dashboard, and sample assessment screens to aid site staff.
